Initiatives

Website

Don Friedman has set up a new website at www.iscarsah.wordpress.com

○ **ISCARSAH Newsletter**

Five issues have been published in ISCARSAH Website. 6th issue will be published when the website is back to being operational.

○ **Expert Database**

The prepared “Expert Database” was discussed. The meeting outcome of the database form is attached as an appendix to these meeting minutes.

○ **Safety in Buildings**

Prof. Dr. Ahmet Türer made presentation on “Human Safety in Buildings”. Pere Roca, Yaacov Schaffer, Don Friedman, Debra Laefer and Satwant Rihal discussed their views. Dr. Türer will distribute these slides electronically.

○ **“Toolbox”**

A chapter or a subject of the Toolbox will be devoted to each ISCARSAH Newsletter as they become available. An e-mail to remind the colleagues of their intention to write for Toolbox will be sent.

○ **New business**

Prof. Dr. Ahmet Türer made a presentation on “Relocation Studies of Historic Structures”. Debra Laefer, Roberto Meli and Yaacov Schaffer discussed their views. Dr. Türer then distributed these slides electronically.
